## HELLO,

Qualified Architect looking to use my transferable skills to gain more experience in the Film and TV industry. Creative thinker, reliable, proactive and resilient professional with unwavering attention to detail, excellent communication and organisational skills. Adept at tackling changing situations with thought, composure and determination, and adapting quickly to new tasks. I have travelled extensively, and it has given me insight into many different and exciting cultures and environments. This, with my design skills, drives my passion to transform the everyday into something extraordinary. Seeking my next role within the Art Department of a UK-based production.

## KEY SKILLS

- Full clean driving licence (10+ years, over 25)
- Hand & CAD draughting
- Scale model making (cardboard, wood, foam)
- 3D modelling
- Research skills (visual, historical, regulatory)
- Location surveys
- Space planning & Built environment knowledge
- Crafts & Object making (variety of techniques)
- Basic sewing and embroidery skills
- Software: Adobe InDesign, Photoshop & Illustrator, SketchUp Pro, Vectorworks, iWork, MS Office
- Languages: English (Fluent), French (Native), German & Spanish (Basic)
